As a Volunteer Tutor, I agree to:

- Make myself available for at least two hours a week and be punctual to my assigned lab time.
- Make arrangements in advance if I need to miss my time in the lab.
- Understand that I will not be able to serve as a volunteer tutor again if I fail to attend two of my assigned times without making necessary arrangements.
- Maintain a 3.0 GPA and tutor courses in which I have received a B+ or better.
- Tutor the duration of the semester and not quit during the semester.
- Avoid “spoon feeding” students the answers. I understand that at the heart of good tutoring is the tutees explanation of the material.
- Be familiar with and impart basic study skills strategies to the students.
- Be an advocate of the learning model.
- Understand that I will not receive any payment or compensation for my time.
- Conduct myself at all times in a professional manner when serving as a tutor, and adhere to the standards outlined in the honor code.

Note: In compliance with federal law, paid tutors are not eligible to serve as volunteer tutors.
